INSURANCE CERTIFICATE REQUIREMENTS

To avoid charging a 10% fee on each contract of our Equipment Protection Plan, a certificate of insurance containing the following information is required:

1. Rented/Leased equipment policy with a \$75,000 limit (minimum) OR Inland Marine Policy OR Contractor's Equipment floater with physical damage coverage in regards to equipment that is hired, rented, leased or borrowed indicating limits.
2. Murray's Tool Rental, Inc named as Additional Insured, Loss Payee & Certificate Holder.
3. Must have General Commercial Liability coverage (\$1,000,000 minimum).
4. Coverage can be limited to specific piece of equipment OR "blanket cover for all rental equipment".
5. Automobile liability coverage including non-owned and hired auto with all limits.
6. Workers Compensation coverage including employees liability with all limits.
7. Thirty-day (30) advance notice on cancellation and/or material change in the policy coverage.

It these requirements are not met, we will charge the 10% Equipment Protection Plan/Damage Waiver to each invoice.
